Speaker - PALOMA PLANT

Marshland Centre

Don't Let Your Pane be their Pain

The **Fatal Light Awareness Program (FLAP)** Canada was the first organization in the world to address the issue of bird collisions with buildings and find solutions to this conservation issue.

Years of research and data has shown that collectively, residential homes will kill or injure more songbirds than any other buildings combined. Learn why this is such a huge problem, and how you, the homeowner can be part of the solution

Decorative: Photograph - "Winter Patterns"

Photo should be 4" x 6" in size, mounted on a 5" X 7" backing,
